# ORGANISERS WELCOME

**Croeso/Welcome to the 2022 and 67th Visit Conwy Cambrian Rally organised by the North Wales Car Club. We believe our event to be the longest-running annual organised rally in the UK – every year since 1956 without a break! This is a record we are proud of and eager to maintain! We are privileged to have the continued support of Conwy Borough County Council who are keen supporters of motorsport within the Conwy area. We are also indebted to Llandudno Town Council for their continued support.**

In 2022, North Wales Car Club is honoured to remain an invited round of the Motorsport UK British Rally Championship, MRF Tyres BTRDA Rally Series, Pirelli Welsh Stage Championship, Bowler Defender Challenge and the ANWCC Championship.

This year the Visit Conwy Cambrian Rally will again run as a National and Interclub event and is proud to offer Competitors a refreshed route; featuring an all new forest stage for both events as well as a brand new closed road tarmac stage for the National event run twice on the evening of Friday 28th. The route is within the county of Conwy and based around the Cerrigydrudion, Betws-y-Coed and Llanrwst areas.

The 2022 event will be based out of theatre and concert arena, Venue Cymru. We are also excited to use a brand new service area in the grounds of Welsh Assembly Government buildings in Llandudno Junction. Both of which provide great facilities and allow the rally to be centred in and around Llandudno. The Bowler Defender Challenge will be based from Rybrook Land Rover, again in Llandudno Junction.

Secure overnight parking will once again be available for your competition car in the Victoria Centre Car Park, for a small fee of £10. The organisers are able to offer an entry fee of £1085 for National Crews, £645 for BTRDA Rally First Crews and £695 for all other competitors (plus additional mandatory tracker). Competitors in the Mini Challenge, please see 1.5.

Many marshals will be required for our event so if you are not entering then please consider coming to help, and please encourage friends and fellow club-members to help, with what we promise to be an event that will challenge the competitors.

[www.rallystageteam.co.uk](http://www.rallystageteam.co.uk) to register.

From all on the organising team, we wish you all a safe, enjoyable and challenging weekends sport and look forward to welcoming you to the 2022 Visit Conwy Cambrian Rally.

## 1. ROUTE

### 1.1 CHANGES FOR 2022

- The Visit Conwy Cambrian Rally will, once again, be based in Llandudno but Rally HQ will be relocated to Venue Cymru.
- The service area will be located in the car parks of the Welsh Government offices in Llandudno Junction
- The National event will use 7.5 miles of closed road tarmac stages (run twice) on Friday 28th as well as the ability to complete the pre event reconnaissance
- As in 2021, the event aims to be a paperless event as far as practicable, in line with the Covid-19 guidelines & our sustainability drive. All competitors, officials and marshals will be required to download the 'Sportity' App from their App Stores.
- The event will use a stage synonymous with Wales Rally GB and one which hasn't been used on a national rally before
- Inclusion of the ANWCC Mini Cooper Challenge (non championship round) with 2 options of route

### 1.2 LENGTH OF SPECIAL STAGES AND ROAD SURFACE

**National:** Asphalt: 15 Miles  
Gravel: 45 Miles

**Interclub:** Asphalt: 0 Miles  
Gravel: 45 Miles

Overall SS distance and total distance of the itinerary

	NATIONAL	INTERCLUB
<b>Number of Legs:</b>	2	1
<b>Number of Special Stages</b>	10	8
<b>Total Distance of the itinerary</b>	200 miles	149 miles
<b>Overall length of Special Stages:</b>	60 miles	45 miles

### 1.3 NATIONAL RALLY

The National section of the event will run a National permit (124832) and will consist of an additional 1 7.5 mile tarmac stage, run twice on the evening of Friday 28th. Registered competitors for the British Rally Championship MUST enter the National section of the event. Any other competitor who wishes to make use of the additional mileage are encouraged to do so. Tarmac tyres maybe used, with an opportunity to change after the 2 stages.

If a minimum number of 20 National entries is not reached, the Friday night tarmac stages may be removed.

### 1.4 INTERCLUB RALLY

The Interclub section of the event will run on Saturday 29th August and will consist of (up to) 45 miles of loose surface roads over 8 stages with 1 central service. The event will start and finish on the promenade on the seafront in Llandudno, a great draw for spectators and a great backdrop to start & finish the event. There will be NO AUXILIARY service.

### 1.5 MINI CHALLENGE

The Cambrian Rally also welcomes the 'The Mini Challenge' as a non-scoring event for their series. There are 2 options for the Mini competitors:

#### **Cambrian Mini Rally:**

The Mini Challenge will complete the first loop of stages on the Saturday of the event, running the first category on the road at a reduced entry fee of £380 + mandatory tracker (total of 4 stages).

#### **Cambrian Trophy Rally:**

There is also the additional option to complete the Friday evening tarmac stages, along with the first loop of forest stages on the Saturday for an entry fee of £550 + mandatory tracker taking the total stage mileage to 37 miles over 6 stages.

## 2. ENVIRONMENTAL

### 2.1 ENVIRONMENTAL SUSTAINABILITY

As part of our commitment to minimise the environmental impact, the Visit Conwy Cambrian Rally's aim is to continuously make our event more sustainable, working both internally, and with external partners, to ensure our event impacts on the environment as little as possible.

This is, and will be, an ongoing process and includes every aspect of the event; provisions on special stages, in the Service Park and within our general administration tasks, including those within Rally HQ. The specific aims for the 2022 Visit Conwy Cambrian Rally are as follows:

- Become a paperless event as far as practicable by introducing a Digital Noticeboard.
- Introduce hybrid and/or EV vehicles to the Official Course Car team where available.
- Minimise impact on ground and water contamination within the Service Park
- Encourage waste reduction and separation by providing recycling bins within the Service Park and Rally HQ and to provide waste bags in Spectator Areas to encourage visitors to take their rubbish home.
- Reduce the level of vehicular movement within the event as much as possible.

## 14. COVID-19

The organisers take seriously their obligations to ensure compliance with all Motorsport UK & Welsh Government COVID – 19 regulations and guidance issued in relation to organising motorsport.

The organising team will continue to monitor the situation in regards to Covid-19. We will ensure all appropriate measures are taken. Regardless of the situation, hand sanitizer will be available in key locations as well as provision made for people attending the event to practice social distancing. Any crew or associate of the crew MUST NOT attend the event if they show any signs of Covid-19 or have tested positive for the virus.

A full copy of the COVID-19 Risk Assessment and Protocols will be available in the Final Instructions/Rally Guide 2 should it be required. It is imperative that everyone adheres to the COVID-19 Event Resumption Guidance. In escalating order of severity, the following actions will apply for non-compliance of the event restrictions:

- 1) Verbal Warning
- 2) Following a Second Incidence of non-compliance by the same individual, the Covid-19 officer will refer to the Clerk of the Course and Motorsport UK Steward(s). A formal warning will be issued
- 3) Any further non-compliance will result in removal from the venue.

If the individual is a team member and not a licence holder, the competitor continues to be responsible but will not incur points on their licence unless their team member is abusive. If an individual has been abusive when spoken to by the event official, then this must be reported to the Clerk of the Course and Motorsport UK Steward(s) by the COVID-19 officer and is considered a breach of C.1.9.

Please note that should the address of any competitor or support crew change to a COVID level that restricts travel then the entry will be reviewed, and may be declined.
