9. Miscellaneous

9.1. Damage / Theft

The organisers accept no responsibility for damage, theft etc. of any belongings.

9.2. New Anti-Idling Law (Engine Left Running)

As of 30 September 2026, drivers in Wales face significantly increased fines for leaving a vehicle's engine running while parked or stationary on a public road (known as idling).

The Penalty: Fixed penalty notices issued by local authorities have been raised from £20 to between £75 and £150.

The Rule: Under Rule 123 of the Highway Code, you must not leave a vehicle's engine running unnecessarily while stationary on a public road, especially near high-risk areas like schools or hospitals. The rule change by the Welsh Government aims to crack down on air pollution and protect public health.

10. Amendments / Clarifications to Supplementary Regulations

10.1. Clause 3 Permits

The CAO Authorisation Number will be posted on the event Official Notice Board prior to the event.

The Stellantis Motorsport Rally Cup IRE and UK runs under the umbrella of the BRC and so does not have a separate permit number

10.2. Clause 4 Route and Event Format

Mileages are amended as follows:

	National and Interclub
Number of Legs:	1
Number of Special Stages	9
Overall length of Special Stages	48.40 miles
Total Liaison distances	140.56 miles
Total Distance of the itinerary	188.96 miles

10.3. Clause 10 Officials

Add Trainee Clerk of the Course, Laura-Tuesday Brickwood.

10.4. Clause 13.1 Entries

As per SR Clause 13.1 if the minimum number in any class is not reached the organisers have the right to amalgamate vehicles into the next highest appropriate class.

Some classes have been amalgamated, see seeded entry list on Sportity for final classifications.

10.5. Clause 19 Reconnaissance of Special Stages

Meeting Point / Documentation will be at the Gwydyr Car Park in Llanrwst What3Words ///slept.hillside.tokens. All other recce details are as per Supplementary Regulation Clause 19 and as included there, details of time schedule, location and recce instructions will be added to Sportity by 20:00 hours on Tuesday 20th October.

10.6. Clause 21 Tracking

Trackers will be supplied and fitted at scrutineering. Trackers will be collected at MC2. Should you retire from the event please ensure that your tracker is returned to Rally HQ or to Sporttraxx at MC2.

In accordance with Motorsport UK Stage Rally Safety Requirements, non-return of a unit will be treated as per failure to hand in damage declaration (Ch. 13 App. 13 Art. 14.4) and in addition a fine of £250 will be imposed.

The official fitting instructions supplied by Sporttraxx are available to view on the Competitor Sportity channel.

NOTE - Trackers will be monitored on road sections for compliance with speed restrictions (penalty as per Ch.13 App.8 Art. 1.3(I)) AND for adherence to the route specified in the road book.

10.7. Clause 22.1 Management Vehicles

You are reminded that there will be no auxiliary service/management vehicles permitted on the Event. For the avoidance of doubt, organised assistance is not permitted anywhere other than the main service area, including as per Ch.13 App.18 Art.1.7, “In any area where Service is not permitted, the presence of service crew, or any vehicle from which equipment or parts are supplied or obtained, or the setting up or the collection or the use of equipment previously deposited, will be considered to be servicing.” Note 10.6 above regarding the monitoring of trackers on the road sections to ensure compliance with the road book route.

10.8. Clause 25 Controls and Timing

Permission has been granted by Motorsport UK to set the Bogey time for all stages at 75 mph. (Ch.13 App.12 Art.3.43 / 3.44).

For the avoidance of doubt, all special stages will be timed to the nearest preceding 1/10th of a second.

11. Behaviour

You are reminded that any abusive / threatening behaviour or offensive language from a crew, their team members or family members towards any marshal, official or any person related to the event, will be reported to the Clerk of the Course (Ch.2 App.1 Art.1.1). In the event of such an incident, the associated crew will be penalised as follows:

1st offence:

10min penalty and reported to Motorsport UK

2nd offence:

Disqualification and reported to Motorsport UK

12. Reminder - Red Flag Procedure

You are reminded that, in accordance with Ch.13 App.2 Art.4.17, on any Special Stage where extreme circumstances make it necessary to authorise the movement of non-competing or rescue vehicles prior to the Special Stage being cleared of competing cars, the Red Flag system will be in place. Red Flags will be located at all mandatory radio points and at mid stage rescue points and other in-stage radio locations. Red Flags will only be displayed on the specific instruction of the Clerk of the Course or one of their deputies or the Stage Commander via the Radio Controller and will only be deployed when there is a possibility of non-competing vehicles and rescue vehicles moving on Special Stage AHEAD of competing cars.

Flags will be prominently displayed (held out steady not waved) by a designated marshal who will be wearing a marshal's tabard. In accordance with Ch.13 App.10 Art 7.31-7.32, on passing a Red Flag, displayed by a marshal wearing a marshals' tabard, the crew **MUST** immediately and significantly reduce speed as well as being prepared to stop at any time; at no time must they overtake any safety vehicle they encounter on the special stage route. The crew must then follow the instructions of any marshals and/or stage safety personnel and maintain a reduced, non-competitive speed until leaving the special stage. Failure to comply with this rule may result in Disqualification following a Judicial Hearing pursuant to NCR Chapter 2 and reported to the ASN.

13. Recovery Meeting Points

Stages 1 and 9 (Crafnant) and Stage 2 (Gwydyr)

Please note that the access roads to these stages are NOT suitable for service crews with vans or trailers. Meeting points have been identified and any competition cars requiring recovery will be taken to the meeting points by event recovery units. Service crews should proceed to these designated points to collect their competing crews / vehicles and **MUST** follow the advised route.

Crafnant Stages 1 and 9

Meeting point - large layby at What3Words///quicksand.payout.sizing
<https://what3words.com/quicksand.payout.sizing>

Your Service Crew must follow the compulsory route instructions in the Service Book.

<https://what3words.com/milkman.tweezers.chemistry>

Your Service Crew must follow the compulsory route instructions in the Service Book.

14. Anti Cut Devices

Anti cut devices, either pink or orange, (as per photographs) will be placed along the following sections of stages

- SS1 Crafnant at Junction 15 (distance 3.21 miles)
- SS4 and SS7 Clocaenog at Junction 16 (distance 5.68 miles)

These are noted in your road book.

There are also anti-cuts in Brenig between Junctions 4 and 5, and after J16 in Clocaenog – these are all noted on the Sportity Competitor Channel.

15. Virtual Chicanes

As detailed in the road book, there is a virtual chicane on stages 4 and 7 and competitors must reduce speed to 40mph. Failure to comply will result in penalties:

1st offence:

30 second time penalty

2nd offence:

1 minute time penalty

It is the competitor's responsibility to ensure that they are familiar with the requirements and signage for Virtual Chicanes. These are detailed on the Competitor Sportity Channel.

16. Safeguarding

North Wales Car Club Ltd and Cambrian Rally Ltd acknowledge their responsibility to safeguard the welfare of all young people and vulnerable adults entrusted to its care and is committed to working to provide a safe environment for all.
